EDUCATION

M.F.A. Film & Media Art - EMERSON COLLEGE '22

B.A. Community, Environment & Planning - UNIVERSITY OF WASHINGTON '18

EXPERIENCE

Director of Photography & 1st Ast. Director for THE WAITING ROOM

(Seattle, WA) ▪ 2018 – Present

The Waiting Room is a story about apathy, empathy, and the personal choice of what we find is worth our time.

Responsibilities include overseeing the shot-list, making creative decisions on the use of cameras, lenses, lighting, and assisting in the general production of the film.

Director of Photography & Ast. Editor for ON THE BRINK

(Seattle, WA) ▪ 2018 – 2019

On the Brink tells the story of a once-vibrant community on the brink of vanishing from Seattle and their struggle to hold on to a place to call home in the face of the city's rapid change.

Managed camera, lighting, and sound for interviews, gathered B-roll, and oversaw the final edit of the film.

Writer & Director for CEP PROMOTIONAL FILM

(Seattle, WA) ▪ 2018

Created a short promotional film for my undergraduate program, Community, Environment & Planning. Wrote the script, cast and recorded the voiceover, shot and edited the film, and presented it as my senior capstone project.

Historian for ALPHA KAPPA PSI – RHO CHAPTER

(Seattle, WA) ▪ 2016 – 2018

Served as the primary photographer and videographer and created four promotional films for the chapter. Practiced leadership, collaboration, and gained experience in areas such as marketing and human relations while operating in a professional business environment.

Freelance Photographer & Videographer

(Seattle, WA) ▪ 2014 – Present

Photographed numerous events and produced many short films including a wedding film and an award-winning hype video.
